**TOWN OF LOXAHATCHEE GROVES**  
**OFFICE OF THE TOWN MANAGER**  
**AGENDA REPORT**

**TO:** Mayor and Town Council

**FROM:** Mark A. Kutney, Town Manager, AICP, ICMA-CM

**DATE:** July 1, 2013

**SUBJECT:** Bid No. 2013- 002 Solid Waste and Recycling Collection Services

**I. BACKGROUND/HISTORY**

In July, 2008 the Town entered into a Solid Waste and Recycling Collection Franchise Agreement with Waste Pro of Florida. The term of the agreement ran from October 1, 2008 and expires September 30, 2013. Due to the term of the agreement ending this fiscal year, It was incumbent upon Town Management to implement the process of procuring Solid Waste and Recycling Collection Services.

The aforementioned ITB was prepared and noticed on the Town's website on June 3, 2013 and published in the Palm Beach Post on June 3 and June 6, 2013. The ITB was also available at the Onvia website. The bidders were required to attend a mandatory bid conference on June 12, 2013 and the Town issued Addendum No. 1 on June 18, 2013 which requested all bidders submit to variations on three different service options. The due date for bidders to submit their bid transmittals was June 26, 2013 and the Town received three (3) bids. The bids were opened at 2:30 at Central Palm Beach County Chamber of Commerce (Attached is a copy of the Town Bid Summary Sheet). In order to assist Town Management in the review of the bid submittals, a working group was convened to review the bid submissions and rank them accordingly. The working group consisted of Cheryl Miller, a member of the Town Finance Advisory and Audit Committee (FAAC); Frank Schiola, the Town's Public Works/ Solid Waste Monitor, Perla Underwood of UMSG and the Town Manager. The working group met on Friday, June 28, 2013 to review the bid submissions. Town Management Staff discussed the bid with the FAAC on June 24, 2013.

**II.DISCUSSION**

Based upon the attached Town Bid Summary Sheet it is evident that Waste Pro was the lowest responsible bidder for five (5) of the six (6) options. The only option whereby Waste Pro is not the lowest bidder is Option 3-A Automated for Containerized Solid Waste, Curbside Recyclables and Curbside Vegetative Waste once per week. After the Working Group's review and analysis it was the opinion of the group that the Town should not consider any of the options that only provide pick-up once a week. Further the working group recommends that the Town Council award Option 1 Manual to Waste Pro. As an alternate, Town Council could select to award Option 2 Semi-Automated to Waste Pro.

### **III. FISCAL IMPACT**

Option 1 Manual is bid at \$415,800.00 and would lower the Town's Contract by \$35,363.44. Option 2 Semi-Automated is bid at \$438,480.00 and would lower the Town's contract by \$12,683.44.

### **IV. ATTACHMENTS**

Town of Loxahatchee Groves Bid Sheet Summary

### **V. RECOMMENDED ACTION**

Ratify the recommended Option 1 Manual Curbside Service by the Working Group and award the bid to the lowest responsible bidder, Waste Pro, and authorize the Town Manager and Town Attorney to draft an agreement for Town Council Approval.
