Civility: Being "civil" is not a restraint on the First Amendment right to speak out, but it is more than just being polite. Civility is stating your opinions and beliefs, without degrading someone else in the process. Civility requires a person to respect other people's opinions and beliefs even if he or she strongly disagrees. It is finding a common ground for dialogue with others. It is being patient, graceful, and having a strong character. That's why we say "Character Counts" in Town of Loxahatchee Groves. Civility is practiced at all Town meetings.

Special Needs: In accordance with the provisions of the American with Disabilities Act (ADA), persons in need of a special accommodation to participate in this proceeding shall within three business days prior to any proceeding, contact the Town Clerk's Office, 155 F Road, Loxahatchee Groves, Florida, (561) 793-2418.

Quasi-Judicial Hearings: Some of the matters on the Agenda may be "quasi-judicial" in nature. Town Council Members are required to disclose all ex-parte communications regarding these items and are subject to voir dire (a preliminary examination of a witness or a juror by a judge or council) by any affected party regarding those communications. All witnesses testifying will be "sworn" prior to their testimony. However, the public is permitted to comment, without being sworn. Unsworn comment will be given its appropriate weight by the Town Council.

Appeal of Decision: If a person decides to appeal any decision made by the Town Council with respect to any matter considered at this meeting, he or she will need a record of the proceeding, and for that purpose, may need to ensure that a verbatim record of the proceeding is made, which record includes any testimony and evidence upon which the appeal will be based.

Consent Calendar: Those matters included under the Consent Calendar are typically self-explanatory, non-controversial, and are not expected to require review or discussion. All items will be enacted by a single motion. If discussion on an item is desired, any Town Council Member, without a motion, may "pull" or remove the item to be considered separately. If any item is quasi-judicial, it may be removed from the Consent Calendar to be heard separately, by a Town Council Member, or by any member of the public desiring it to be heard, without a motion.

DATE: September 22, 2020

SUBJECT: Final Public Hearing for Proposed Fiscal Year 2020/2021 Millage Rate and Adoption of the Fiscal Year 2020/2021 Budget

Background:

Florida Statutes Chapter 200.065 sets forth the procedures to follow for each local government in adoption of the annual property tax millage, levy, and budget. In accordance with these regulations, the millage rate is applied to the June 25, 2020 certified total taxable value of \$354,121,204 to calculate the ad valorem revenue for the Fiscal Year 2020/2021 budget. The proposed millage rate of 3.0 mills is the same as it was in Fiscal Year 2019/2020 as well as the same as the preliminary TRIM rate adopted on July 7, 2020. Although the same rate as in the prior year, this same proposed millage rate is 6.49% above the rollback rate of 2.8172 mills. The proposed millage rate generates property tax revenues of \$1,086,103 which is an increase of \$73,105 from Fiscal Year 2019/2020 property tax revenues (these amounts are at 100% without consideration to discounts and collection fees. As budgeted by law at 95%, revenues are \$1,031,798 representing an increase of \$69,450).

The proposed budget for all funds totaling \$6.6 million maintains funding for existing levels of service. Council held budget workshops on July 21st and August 18th to discuss the proposed operating and capital budgets. The FAAC also provided recommendations which were included in the workshop discussions. The first public hearing was held on September 8, 2020.

This is the final public hearing on the proposed budget and the corresponding ad valorem millage rate in accordance with Florida Statutes Chapter 200.065.

Recommendations:

Staff recommends Council approval of:

- Resolution No. 2020-20 adopting the millage rate for Fiscal Year 2020/2021- Item 2
- Resolution No. 2020-21 adopting the Fiscal Year 2020/2021 budget, including balances brought forward. - Item 3

D. Comprehensive Plan Consistency

The subject property currently is assigned Town Future Land Use Map and Zoning designations of Commercial Low (CL). The property was granted a Town-initiated rezoning on December 4, 2012 to Loxahatchee Groves Commercial Low (Town Ordinance 2012-11).

Although the Town’s Commercial Low District allows a maximum F.A.R. of 0.10, the previously approved final certified site plan (0.16 F.A.R.) is grandfathered under Paragraph (5) *Transitional Ordinances and Resolutions* of Section 10 *Transition Schedule* of the Town Charter. Section 10 directs that Palm Beach County approval resolutions for the subject property remain in effect until such time that they are rescinded by the Town Council. As a result, the final certified site plan titled “Loxahatchee Country Plaza Phase – 2” and conditions of approval are vested until such time that they are rescinded or amended by the Town Council.

Site Plan SPA 2020--04 which proposes a 52,675 sq. ft. commercial development is consistent, although at a lower intensity, with the 57, 625 sq. ft. commercial center previously approved by Palm Beach County.

Based upon the above, proposed Site Plan Amendment SP (A) 2020-04 is consistent with its current approval, and the following Comprehensive Plan directives:

- FLU Objective 1.2 The Town shall support development of rural style commercial center along the Southern Boulevard Corridor.
- FLU Policy 1.2.1 The Town shall limit new commercial development to areas south of East Citrus Road border to border.

- FLU Policy 1.12.3 The Town shall encourage development of a rural-style commercial center along the Southern Boulevard Corridor to provide a center of accessible shopping, recreation, and employment opportunities for Loxahatchee Groves' residents.

E. Zoning Requirements: CL Zoning District

Regulation	Standard	Property/Complies?

Side street setback	25 feet	74.2 feet/Yes
Rear setback	50 feet	61.2 feet/Yes***
Minimum pervious area	30%	37%/Yes
Maximum building height	35 feet	35 feet maximum/Yes

* - Complies with Final Certified Site Plan Approval (Maximum F.A.R. of 0.166 per PBC Resolution 88-1546.

** - Existing eastern-most building setback from Lox. Groves Water Control District.

*** - Includes 30 foot Tangerine Drive access easement.

F. Architecture

Architectural plans are included in Exhibit 3. The proposed renovations and development plans are consistent with the following aspects of the Rural Vista Guidelines:

- Wrap-around porch-style colonnades.
- Wall finishes having horizontal line components.
- Metal roofs.
- Siding-style finishes on parapet walls above the roofline.
- Broken parapet wall profiles that provide a vernacular feel to the roof line.

G. Compatibility

An inventory of land uses adjacent to the subject property is presented in Section V.A. The property is bounded by the Tangerine (Pineapple) Drive access and drainage easement to the north. Thirty feet of the easement is located on the property and an additional 30 feet (i.e. total of 60 foot easement) is located to its north. Beyond the easement are 3 AR-zoned properties; two single-family homes and a vacant property.

Southern Boulevard, currently being expanded to a 6-lane section, abuts the property to its south. The Loxahatchee Groves Water Control District offices, in part, and the “D” Road Canal abut the property to its east. To the west are a convenience store (Loxahatchee AG Market), in part and a vacant AR-zoned property, in part.

A review of the subject site vicinity leads to the conclusion that the area is comprised of a mixture of existing and planned land uses along Southern Boulevard, including commercial (retail and office), institutional (government) and recreation with moderate intensity (i.e. 2 to 3 units per acre) residential and agricultural uses behind frontage parcels to the north of Tangerine Drive.

Incorporation of Rural Vista Guidelines design elements and enhanced landscaping and property management provides the Town with an opportunity to establish a rural-style commercial use along Southern Boulevard. Comprehensive Plan directives regarding compatibility with neighboring properties, incorporation of Rural Vista Guidelines directives, and implementation of buffering and screening techniques are used to insure compatibility.

Town Council Agenda Item Report: Noah's Ark
Future Land Use Amendment CPA 2020-02 and Rezoning 2020-03

PREPARED BY Jim Fleischmann

September 22, 2020

SUBJECT: Noah's Ark Future Land Use Map (FLUM) and Zoning Map Amendments:
Ordinance 2020-09.

1. BACKGROUND/HISTORY:

Problem Statement: The Town Council should review and consider the FLUM and Zoning Map amendment applications.

Problem Solution: Approval, approval with conditions or denial of Ordinance 2020-09.

2. CURRENT ACTIVITY:

The Noah's Ark Preschool property consists of one parcel of record located on Okeechobee Boulevard for a total of 4.88 acres

A Daycare/Preschool (87 Children) and Church Assembly facility (120 seats) of 6,169 sq. ft. was granted Special Exception approval by Palm Beach County prior to incorporation of the Town. The project was approved by the County (DOA 78-31) and built in 1982 (Daycare component only) and 2000 (church component). At the time of approval by the County, daycare and church assembly were permitted special exception uses in the RR 5 Future Land Use category and the AR zoning district. However, under the Town's Comprehensive Plan and ULDC, the appropriate categories are Institutional and Public Facilities future land use and zoning. Thus, the existing development currently contains legal non-conforming uses.

The Applicant has proposed CPA 2020-02 and REZ 2020-03 applications to assign Town future land use and zoning designations of Institutional and Public Facilities to the property. The amendments will make the existing use consistent with the Town's Comprehensive Plan and ULDC.

The P & Z Board reviewed the Site Plan Amendment submittal at its meeting on August 20, 2020. After a lengthy discussion, during which several issues were raised by P& Z members, CPA 2020-02 was recommended for approval (i.e. existing uses only and subject to the Okeechobee greenbelt overlay) by a 4 – 1 vote, and REZ 2020-03 was recommended for approval by a 5-0 vote.

History of the Application

The Noah's Ark Preschool property consists of one parcel of record located on Okeechobee Boulevard for a total of 4.88 acres. (Refer to Map 1).

A Daycare/Preschool and Church Assembly facility of 6,169 sq. ft. was granted Special Exception approval (Ref: Exhibit 1) by Palm Beach County prior to incorporation of the Town. The project was approved by the Ccounty (DOA 78-31) and built in 1982 (Daycare component) and 2000 (church component). At the time of approval by the County, daycare and church assembly were permitted special exception uses in the RR 5 Future Land Use

category and the AR zoning district. However, under the Town's Comprehensive Plan and ULDC, the appropriate categories are Institutional and Public Facilities future land use and zoning. Thus, the existing development currently contains legal non-conforming uses.

Although non-conforming, the existing County approval, per the Town Charter, has been honored by Loxahatchee Groves. The current Town future land use and zoning designations are Rural Residential 5 (RR 5) an Agricultural Residential (AR) respectively, while the appropriate designations are Institutional and Public Facilities.

Current Applications Summary

Daycare/Preschool and Church Assembly are not permitted uses in either the Town's Rural Residential 5 (RR 5) land use category or Agricultural Residential (AR) zoning district, both of which are currently assigned to Subject Site. In order to gain consistency with the Town's Comprehensive Plan and ULDC and receive consideration of any additional approvals, appropriate Town future land use and zoning designations should be assigned to the property.

To attain compliance with the Comprehensive Plan and Unified Land Development Code (ULDC), future land use and zoning map amendments to Institutional and Public Facilities are necessary. In order to attain Comprehensive Plan and zoning consistency, the Applicant has proposed following amendments:

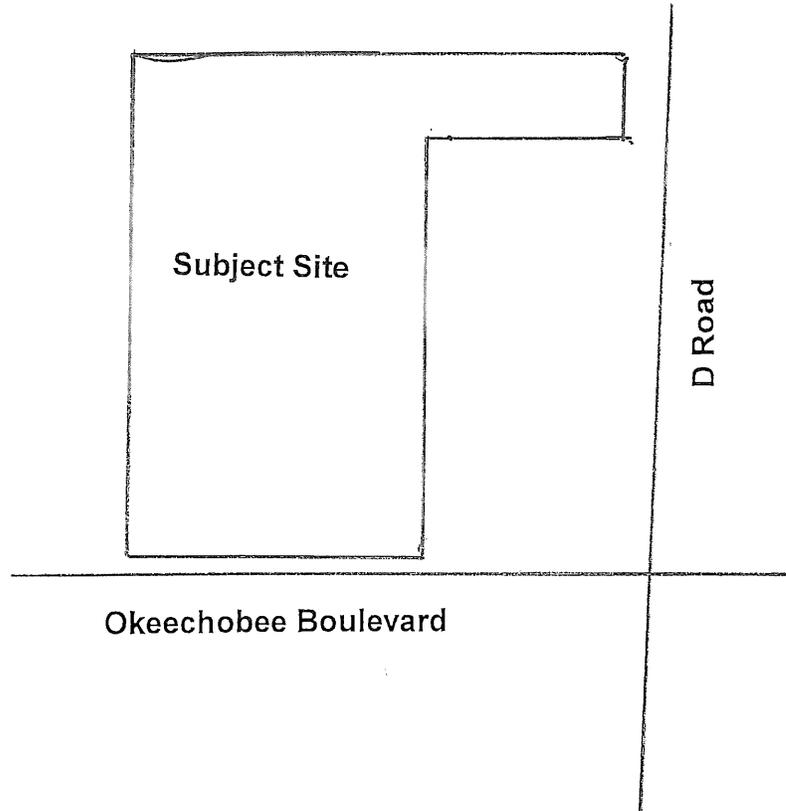

1. Comprehensive Plan Amendment (CPA 2020-02): Future Land Use Map (FLUM) amendment from Rural Residential 5 (RR 5) to Institutional and Public Facilities.

The proposed amendment will allow the existing use to gain compliance with the Comprehensive Plan by assigning the appropriate Future Land Use designation (Institutional and Public Facilities) to the property. Further, the existing Floor-Area-Ratio (F.A.R.) of the property is 0.029; is substantially less than the 0.10 maximum allowed in the Institutional and Public Facilities future land use category.

2. Zoning Map Amendment (REZ 2020-03): Zoning Map amendment from Agricultural Residential (AR) to Institutional and Public Facilities.

Assuming the Institutional and Public Facilities future land use designation is assigned to the property, the proposed Zoning Map amendment to Institutional and Public Facilities will create consistency between the Future Land Use and Zoning designations, and allow the Applicant to propose amendments to the approved site plan.

Staff Findings and Recommendations

Proposed Future Land Use Map and Zoning Map amendments are presented in Exhibits 2 and 3. Following a review of the applications, Town staff finds Amendments CPA 2020-02 and REZ 2020-03 to be consistent with the intent of the Comprehensive Plan and Unified Land Development Code and direction provided by previous the Palm Beach County approval. Based upon these findings, staff recommends the following:

1. Approval of CPA 2020-02 by the Local Planning Agency (Ref: Exhibit 2); and
2. Approval of Rezoning Application REZ 2020-03 by the Planning and Zoning Board (Ref: Exhibit 3).

Local Planning Agency (LPA) and Planning and Zoning Board (PZB) Recommendations

1. CPA 2020-02 Application by the LPA: The LPA, at its meeting on August 20, 2020 recommended approval of CPA 2020-02, by a 4 – 1 vote, subject to the following finding and conditions of approval:

1. The LPA finds that the existing use of the property is institutional. As a result, an Institutional and Public Facilities (IPF) Future Land Use designation is appropriate in order to gain consistency with the Comprehensive Plan; and

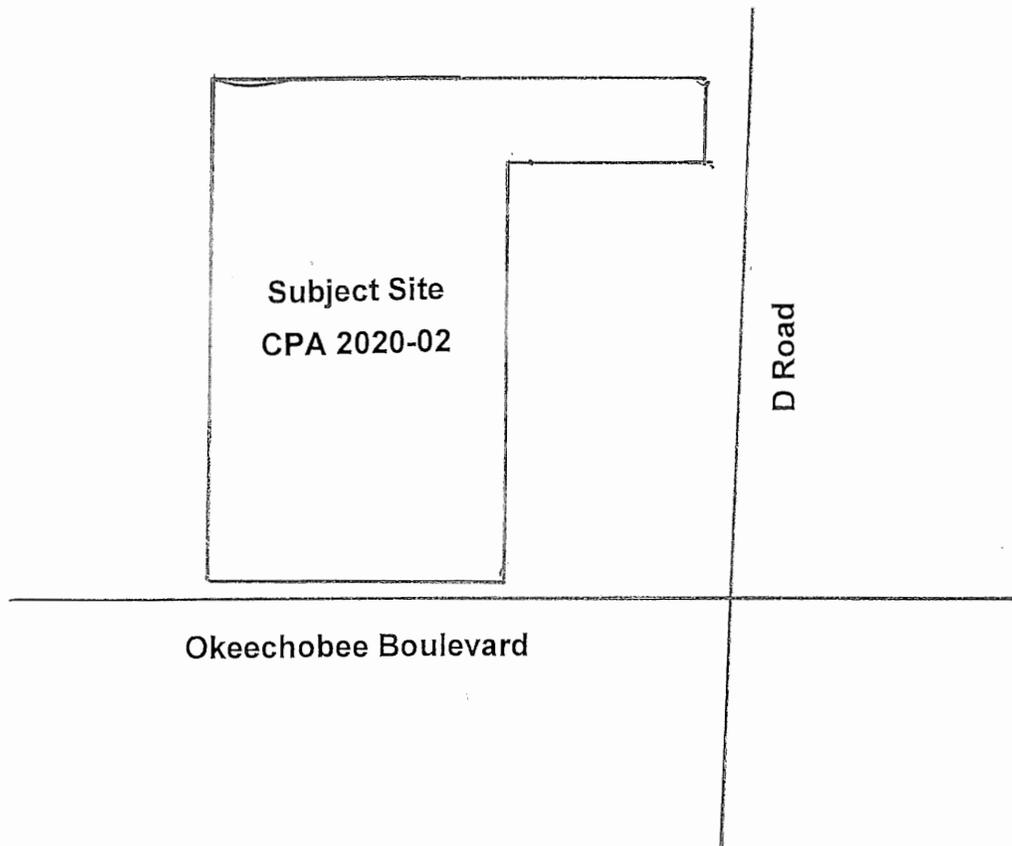

2. The owner shall provide a 40-foot to 50-foot recorded greenbelt buffer easement on his property along Okeechobee Boulevard, subject to approval of the proposed Okeechobee Rural 5 Overlay, for future use as a multi-use recreation trail

2. REZ 2020-02 Application by the PZB: The PZB at its meeting on August 20, 2020 recommended approval of REZ 2020-02, by a 5 – 0 vote,
