By signing this form, I understand that the plans are accepted for processing and reviewing under standard Loxahatchee Groves policy and procedure defining review times and fee schedules and that an overtime review is based upon the availability of the appropriated plans examiner within 2/3 the normal review time after zoning approval. If an overtime review is performed within ½ of the normal review time for this type of project, additional fees will be assessed as calculated below and collected at the time of permit issuance. If an overtime review is not performed, only the regular fees will be assessed.
