## TOWN OF LOXAHATCHEE GROVES - POST-STORM DEBRIS COLLECTION AND ASSISTANCE RESOURCES

In the aftermath of the recent storm, the Town of Loxahatchee Groves is committed to providing residents with necessary recovery resources. Below is critical information on debris collection services and available assistance programs from FEMA, SBA, and local organizations.

### DEBRIS COLLECTION BY SOLID WASTE AUTHORITY (SWA)

Track Progress: [www.swa.org](http://www.swa.org)

- Start Date: Debris collection begins today and will continue for 60 to 90 days.
- Collection Limits: The standard 6-yard limit for storm debris has been temporarily lifted.
- Multiple Sweeps: SWA will conduct multiple sweeps through affected areas to ensure all debris is collected.

**This debris collection is strictly for storm-related damage and not an opportunity for general yard clearing or street removal. Any non-storm-related work, such as large landscaping or construction debris, will require proper permits and adherence to local regulations.**

### FEMA ASSISTANCE

Website: <https://www.disasterassistance.gov> FEMA Hotline: 800-621-3362

FEMA offers individual housing assistance, including hotel stays, rental support, and trailer placement.

- Maximum potential aid is \$43,000, but average assistance is significantly less.
- Take photos of any damage before cleanup and apply through FEMA for assistance.

### FEMA INFORMATION REGARDING MONEY RECEIVED FROM GOFUNDME

Website: <https://www.fema.gov/node/if-i-receive-donations-gofundme-page-or-something-similar-fema-will-not-help-me>

"...If you receive money from a GoFundMe page for a specific disaster-related expense--such as home repairs, funeral expenses or other emergency needs--you may not be able to receive FEMA aid for the same expense..." For more information. Please visit the link provided.
