TOWN OF LOXAHATCHEE GROVES POST-STORM DEBRIS COLLECTION & INFORMATION

We want to inform you that **AshBritt**, our rapid-response emergency management disaster recovery debris clean-up contractor, is actively working throughout the Town, assisting in debris removal and collection efforts in response to recent storm events.

Please be advised that the debris cleanup contractor has hired additional teams specifically for vegetative debris removal to expedite the process. These efforts are focused on clearing vegetative debris from the area as quickly as possible. Additionally, the contractor is compiling trash for a more efficient process, after which a larger truck will collect it from that individual property in the right-of-way.

Additionally, FEMA and Red Cross teams are on the ground, going door to door, conducting damage assessments, and providing support to affected residents.

Further information will be shared soon regarding our partnership efforts with **United Way of Palm Beach County**, which will provide additional assistance to those in need during this recovery process.

If you need help or would like to volunteer to assist in recovery efforts, please call or text 561-985-8286.

Please stay safe and continue to follow our updates. Thank you for your cooperation and patience as we work together to restore our community.

For more information, please contact the Town of Loxahatchee Groves:

Town of Loxahatchee Groves Town Hall

155 F Rd, Loxahatchee Groves, FL 33470
