## TRAFFIC DELAYS & DEBRIS COLLECTION UPDATE

Dear Residents,

We understand that travel through Town may be slower than usual in the coming days, as our roads are small and may be narrowed or temporarily blocked to allow for Debris Collection. It may take up to 30 days to fully clear some areas, so we kindly ask for your patience as our crews work diligently to restore normalcy in our Community.

For the remainder of this week, please place **ALL Vegetative Debris in your designated collection areas, as crews are working daily to clear as much as possible.** Household Garbage in containers will continue to be collected on the regular schedule, while Debris Removal will occur daily until the majority is collected. Please be sure to keep Construction and Demolition (C&D) materials or Bulk Items in separate piles from Vegetative Debris.

Lastly, we ask for your cooperation in using alternate routes if you do not live on a street currently undergoing service, to help keep traffic flowing smoothly.

Thank you for your understanding and support as we navigate the recovery process together.
